

Volunteer Counselor Information

Dear Applicant,

Thank you so much for your interest in being a Volunteer Counselor at Trinity Summer Camp! VC's are soon-to-be 7th-12th graders who work with a "cabin" of campers under the guidance of a Cabin Leader.

As was the case last year, as we begin our 3rd year of revamped Summer Camp, the process of choosing VC's has become even more selective. This is due to the increased number of applicants and our experience with the VC program over the past 2 years. While it would be great to accept everyone who desires to be a VC, this is simply not possible. Selection of VC's will be based on full completion of the application process, interview and past performance (if applicable).

Volunteer Counselors are a valuable part of the Summer Camp Team. They have the important job of being positive role models for the campers - getting to know them and building relationships with them over the course of the weeks they attend. VC's do everything possible to ensure the campers feel they are an important part of the Summer Camp "family". VC's also help lead activities and ensure that campers are engaged in the happenings of the day.

Camp hours are from 9:00am – 3:00pm. **VC's are needed from 8:30am – 3:15pm.** This allows time to have a brief morning meeting, help setup the "cabins", prepare activity spaces, and discuss the day's schedule with the Cabin Leader.

In order to be a Volunteer Counselor, you **must** attend one of the two mandatory *Orientation and Training* sessions on April 15th from 12:15-1:30 **or** April 19th from 7:00-8:15pm. **A parent must be present with you for the last 15 minutes of the training.** If you do not attend one of these trainings, you will not be considered for a VC position.

All VC's will receive a Summer Camp t-shirt and lunch will be provided during each day of work.

Our goal is not only for you to be a role model and helper for campers in your cabin group, but that you would also grow in your faith during your summer experience. We will be studying scripture and having faith conversations during each day of camp.

Being a VC is a big responsibility. There are certain expectations that we have of people when they are leading children. Below are some of the responsibilities and expectations:

What Trinity Expects of You:

- Model love, kindness, and respect to those around you
- Dress appropriately and use God-pleasing language
- Be "unplugged" during work hours (cell phones will be turned into Mr. Ashley each morning and can be picked up at 3:15).
- Respectfully follow directions as given by the Cabin Leaders and Trinity leadership
- Be prepared to help in a variety of ways (i.e. setting up activities, cleaning up, helping campers)
- Participate in conversations, devotions, opening and closing programs, and prayer time

- Have a positive attitude and set a good example through your actions and words
- Be professional and responsible
- Commit to a minimum of 2 weeks as a VC (weeks do not have to be consecutive)

What You Can Expect of Trinity:

- To be equipped with the materials and supplies you need to be successful as a VC
- To be treated with love, kindness, and grace
- To be appreciated as an important part of the Summer Camp team
- To be supported in your time spent helping children and in your journey as a growing Christian
- To be held accountable to your actions and choices

If this sounds like something you feel you are being led to do, you will want to apply soon! The process to apply involves:

- Filling out the *Volunteer Counselor Application*
- Scheduling a face-to-face interview
- Attending one of the mandatory orientation and training sessions

To schedule an interview, you (not your mom) must call Jeremy Ashley at 586-463-8803. Your interview can be scheduled **after** you've completed your application or face-to-face at the time you drop off your application. **You must complete your interview before April 16th to be considered for a VC position.**

As you go through the application process, please know that we will be looking for the following characteristics in our Volunteer Counselors:

FOR STUDENTS ENTERING 9TH-12TH GRADE ONLY:

Here at Trinity, we have a great appreciation for education. We know as a high school student you are required to earn volunteer hours each year. As a VC, each week you have the option of using your week's hours to fulfill these school requirements or you can receive a \$100 grant to be used toward educational expenses. Whichever you choose, we are excited to be able to support you in your journey as a student! ***Note:** You cannot split up a week into both volunteer hours and the educational grant.

Please indicate above, next to the weeks you are signing up for, if you are choosing to receive volunteer hours or the educational grant for each week you sign up for.
