

Edible Engineering June 10-14

It's all about creating what can be eaten! Edible art, science, games, architecture, even outdoor activities will be part of our activity choices. And of course, don't forget cooking! Recipe books given at the end of the week.

Getting Dirty June 17-21

We will explore all things dirty – working the soil, tug of war in the mud, raising worms, eating 'dirt', & create with clay. Kids will design and make a project out of hypertufa. Wear your old clothes for some good dirty fun!

Mad Scientist June 24-28

From chemistry to physics, we will explore the fun, fizzy, messy, exploding, even smelly SCIENCE! Rockets & rainbows, gravity & geology, magnetism & motion; we will have a hands-on week of filled with scientific wonder.

Stars and Stripes July 1-3, 5

It's the 4th! Celebrate the Red, White and Blue with cooking, art projects, and games. Bring your bike (or scooter, wagon, roller blades) and your helmet to decorate for a patriotic decorated bike parade and safety course. Remember we are closed on July 4th.

Mission Impossible July 8-12

The kid's mission, should they decide to accept it, will be to figure out the mystery of the day. Choose your disguise, decipher the codes, use invisible ink and follow the clues through physical and mental challenges to solve the mysteries.

Fiesta! July 15-19

Fiesta means CELEBRATE! Spanish music, foods, games will make for a colorful week of fun. We will make our own piñatas, luminaries, maracas, guacamole and chips to add to the party. Can we challenge you to Mexican Train Bingo? Would you like to learn some tin work? Come and Fiesta! OLE!

All Ball July 22-26

Baseball, Basketball, Football, Soccer, Volleyball – but don't forget Bocce, Ping Pong, field hockey and dodge ball! This week will be full of activities with BALLS! From marbles to basketballs! Learn to juggle, and 'ball'room dance! It's ALL BALL week!

Camp's Got Talent July 29-August 2

Kids (and staff) will have a chance to showcase their unique talents! Can they sing? Dance? Tell jokes? Paint? Cook? Write? Design? Play an instrument? No talent will be denied! A special guest from our favorite magician will appear this week. Join us for their special lunchtime show!

Animal Planet Aug 5-9

Getting to know animals of the earth both wild and domestic. How to care for pets of all sorts and a special visit with some incredible animals will be on tap this week as well as searching habitats right here at Trinity! Make some animal treats and explore which would be the best pet for your family.

Only in Michigan! August 12-16

The Mitten State! The home of salt mines and the assembly line! This week the kids will work on the make a car on the assembly line – a candy car that is! We will make and eat our own Pasties, have sailing races to Mackinac, dance to Motown and make salt paintings. Team competitions – are you a Sparty or a Wolverine? Who will prevail?!

Unearth the Earth – Going Green August 19-23

God gave us the wonderful job to take care of the earth and all that it is in it! Gardening, recycling, planting, and geocaching will be part of the week's activities plus a special visit from Arts and Scraps – our favorite recycling center.

Myths and Legends August 26-30

Discover the difference between the myths of ancient Greece or the legends and folklore of Early America and the truth in God's word. We will explore some fantastic stories like King Midas, Robin Hood, Pandora and Paul Bunyan. Kids can create their own mythical creature and tell their own tall tale.
