WHAT IS HARP?

How Can You Help?

Please pray for this mission and all that are served through God's willing servants

The HARP Mission is to provide adults and youth the opportunity to serve and be served in the way that Christ served us! A Servant Event is an experience that takes people out of their daily routine, encouraging them to practice Christ's unconditional love, serve people in ways that enrich their lives, and share their faith in practical ways, leaving behind "fingerprints" of faith. Please check out the HARP website at www.harpcaldwell.org as well as our Trinity website at <https://trinityct.com/harp>
